HLDD-650-A-5 are suitable for DVD-player pickup heads.

### Dimension:

Unit : mm. Tolerance:0.25mm.

- Safety considerations:**
1. This product complies with 21 CFR 1040.10 and 1040.11
  2. The beam emitted from the laser module is visible and may be harmful to the human eye. Avoid any possibility of looking into the laser package or the collimated beam along its optical axis when the device is in operation.
  3. ESD precautions must be taken when handling unit.
  4. visible laser radiation avoid direct exposure to beam.
